# The Stimulus Package & SNAP

*How the American Recovery and  
Reinvestment Act Affects SNAP  
Benefits and Policies*

# Overview

---

1. Benefit Increase
2. Changes to ABAWD policy
3. Administrative Funding Increase
4. What FNS is doing to address these changes

# How the Changes will Help Local Economies

---

1. SNAP benefits are spent quickly and spur economic activity:
  - a. Every \$5 in new SNAP benefits generates \$9.20 in total community spending
  - b. 80% of benefits are redeemed within 2 weeks; 97% are redeemed within a month

# How the Changes will Help Local Economies

---

2. Suspension of the ABAWD policy will provide benefits to individuals struggling to find employment in a difficult economy
3. Increased administrative funding will help States cover their administrative costs
